

**Issues in the Cold War**

Keep in mind the fact that there are two questions.

1. “**Describe** the methods of competition (technology, areas of focus) during the “Space Race” between the United States and the Soviet Union from 1950-1970.
2. **To what extent** did the United States win the Space Race from 1950-1970?

**Requirements**

- You must provide a list of at least three sources where you got your information from.

**Bibliography (3 marks):** List your three sources below.

---

---

---

---

---

---

---

---

---

---

1. Background information: List information that would describe the methods of competition during the Space Race. (2)

---

---

---

---

---

---

---

---

---

---

1. Describe what you are supposed to do for a “to what extent question?”

---

---

---

2. List the arguments on each side of the Space Race. To what extent did the United States win the Space Race? The Soviet Union? You must list **at least three strong** arguments on each side of the debate.

Arguments why the United States won the Space Race	Arguments why the USSR won the Space Race

Write the second multi-paragraph response.
