

October 15<sup>th</sup>, 2015

Dear Parent/Guardian:

This letter is attached with the consent form to comply with School District #23's policy regarding students travelling on a field trip.

The KSS Social Studies and Languages department are taking 36 students to France, Belgium and Germany for a cultural and historical tour. We will be visiting WWI and WWII battlefields that Canadian soldiers fought on in Western Europe. We will be leaving the week before Spring Break 2016, and returning two weeks later. We will be flying out of Kelowna on March 9<sup>th</sup>, and returning to Kelowna on March 23<sup>rd</sup> (flight times to be determined).

The risks inherent to a trip of this sort are:

- those associated with transportation to and from Europe, as well as to and from sites
- those associated with walking on uneven ground and touring urban centres.

By signing the consent form you are agreeing to allow your child to participate in the activities of this field trip and are aware of the risks involved.

If you have any questions or concerns regarding this trip or the participation of your son or daughter, please contact me.

Sincerely,

Ryan Mansley
